Consulting Services

Would you like to work with a team of specialists with extensive experience of helping CEOs and MDs improve their business and personal performance?

If so, you may be interested in the ways that Evolution's Business Consulting Services can help you and your organisation.

Our team are able to provide both national and international consulting services, delivered locally by dedicated and experienced business consultants who care about your success. With a passion for the region and its future our experience is second to none in delivering practical, actionable, effective, regionally savvy and **affordable consultancy** that will enhance your business and your enjoyment of it.

We are able to work on a personal, one to one, basis or conduct interventions that reach across entire organisations. We will conceive, explain and, if you require it, deliver changes that stand the test of time and enhance the productivity, performance and profit of your organisation.

The Evolution Consulting Services Team will deliver action oriented, practical insights that unlock potential, add value and lift performance.

Some of the areas of our expertise include:

-  **Leadership:** Mentoring and coaching
-  **Operations:** Advising on how business processes can be agile, resilient and swift to exploit opportunities in the current economic climate

-  **Sector/Industry Analysis:** Differentiating your business making you the partner of choice
-  **People and Change Management:** Getting the best from people at every level
-  **Strategy:** Creating realistic and valued strategies
-  **Sustainability:** Understanding the major challenges and tremendous opportunities this can provide

Some recent examples of how we have helped our clients include:

-  Turnaround consultation
-  Driving business expansion in a highly competitive market
-  Streamlining operations to reduce unnecessary costs
-  Profit improvement
-  Strategic talent development and succession planning
-  Streamlining organisational structure and operating culture to adopt continuous improvement

Our services are not limited to the above; with a broad range of solutions offering a long awaited alternative to the significant costs associated with procuring consultancy support from outside the region. Engagements can be negotiated flexibly – by the day, hour, deliverable output, or a rolling programme. Throughout, you define the nature and scale of our role!
