

Education Services

Would you like to work with a team of specialists with extensive experience in dealing with education professionals and organisations?

If so, you may be interested in the ways that Evolution's Education Services Team can help you and your organisation.

Our team have considerable experience in the education sector, both as school governors and college committee members. In addition we are able to draw on over ten years' experience in providing audit, accountancy and advisory services to education establishments in the North East and North Yorkshire area.

We are able to offer a "one stop" shop service to schools and colleges including those considering conversion to Academy Status. In addition to our own in-house team, we have strategic partners who are able to assist, advise and project manage the conversion process.

Some examples of how we have helped our education sector clients include:

 Annual financial audit statements

-  Preparation of Academy schools annual accounts, fully Companies Act and SORP compliant
-  Responsible officer role and reporting
-  Regularity Audit
-  Taxation services and general advice
-  VAT, PAYE reviews and advice
-  Commercial advice
-  Assisting with setting up and annual accounts of school trading companies

The Evolution Education Services Team can guarantee the following:

-  Fixed fees, agreed in advance
-  All year round support and service
-  A friendly and proactive service
-  Attendance at all audit committee meetings as required

Our services to the sector are not limited to the above so to see how we can help please email info@evolutionllp.com or ring our team on 01642 221 331. Alternatively you can visit our website at www.evolutionllp.com
