

Legal Services

Would you like to work with a team of specialists with extensive experience in dealing with legal professionals?

If so, you may be interested in the ways that Evolution's Legal Services Team can help you and your organisation.

Our team have considerable experience in advising law firms for many years, from routine SAR reporting and accountancy services to complex tax advice. We are particularly passionate about our profit improvement service which provides a performance review with recommendations.

Other areas in which we can assist include:

- Specialist tax planning
- Financial services
- Acquisitions and disposals
- Business strategy and business planning
- Partnership agreements
- Raising finance and capital structuring
- General business and personal taxation

We are also working towards obtaining CPD accreditation so that our future seminars and courses will count towards your annual CPD requirement.

Some recent examples of how we have helped our clients include:

- Conversion of partnerships to LLP and limited company status
- Advising on partnership agreements, capital and borrowing structures, profit sharing arrangements, partnership progression and retirement
- Reviewing tax aspects of legal documents
- Trust accounts and tax planning
- Carrying out profit review and improving performance in specific business disciplines

Our services to the sector are not limited to the above so to see how we can help you and your business please email info@evolutionllp.com or ring our team on 01642 221 331. Alternatively you can visit our website at www.evolutionllp.com
