## Medical Services

**Would you like to work with a team of specialists with extensive experience in dealing with medical professionals?**

**If so, you may be interested in the ways that Evolution's Medical Services Team can help you and your organisation.**

We have worked with professionals and organisations in the medical sector for a number of years guiding them on a wide range of specialist healthcare accounting issues.

Our clients range from care homes, pharmacies and hospital consultants to small local GP surgeries – both sole practitioners and partnerships alike. The long term relationships we have with these clients enables us to understand the challenges medical professionals face and the daily pressures they are under. We are able to offer advice based upon real understanding and experience.

**Some recent examples of how we have helped our medical sector clients include:**

 Re-assessment of NHS pension scheme and other pension benefits and a review of general investment strategies

-  Succession and Retirement Planning
-  Budget and forecast planning
-  Installing new I.T. accounts packages and employee training

**We can provide you with expert and proactive advice on all areas of practice and personal finance such as:**

-  Accounts and tax compliance
-  Implementation of accounting systems
-  Partnership structure and agreements
-  Budgeting and cash flow
-  Tax planning and wealth management
-  VAT
-  Pensions and Superannuation
-  Premises, consortium, company formation and LLP's
